

Main Street Merchants schedule a Taste of Miami Lakes on March 29

The Main Street Merchants are presenting the Taste of Miami Lakes Festival from 11 a.m. to 9 p.m. on Saturday, March 29, in Town Center.

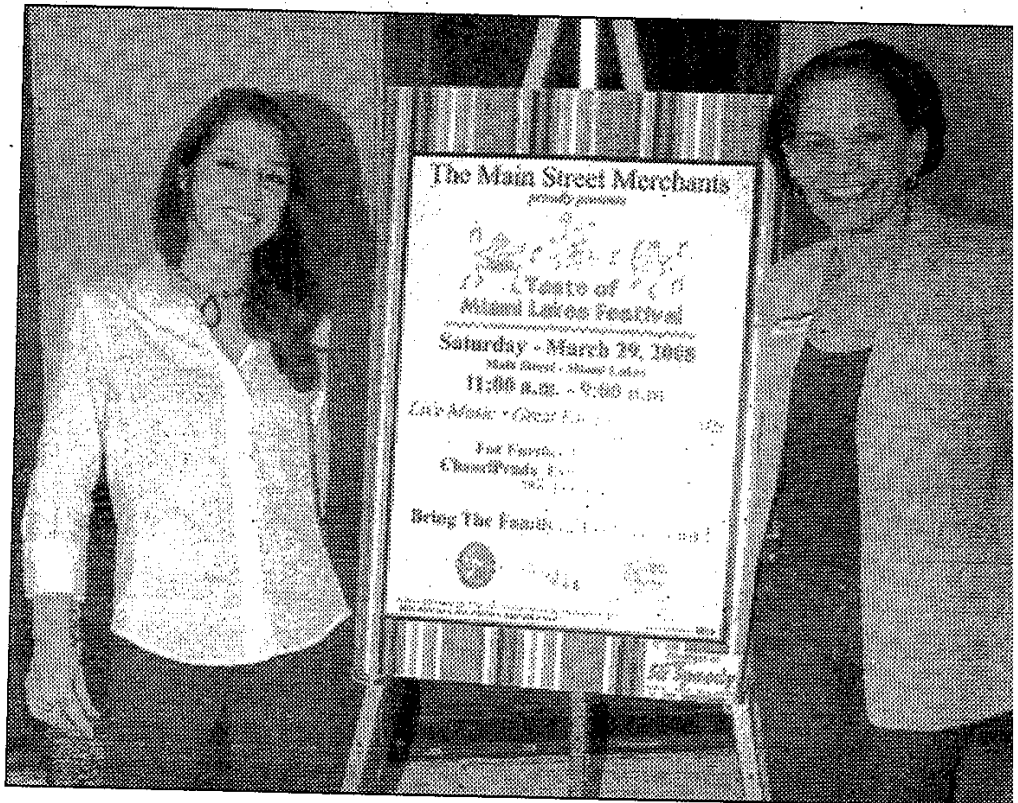

While the Festival will have an emphasis on promoting a variety of foods, arts and crafts vendors and local businesses from neighboring cities are welcome to register to participate.

There will be activities for kids, musical performances and a fashion show featuring fashions from various Main Street merchants. A portion of the proceeds from the event will be donated to His House Children's Home which provides help for children and families in crisis.

The Graham Companies is looking to make the Taste of Miami Lakes Festival an annual event to attract a crowd at least as large as the Festival of Lights which takes place in November.

A kick-off party for the Festival was held at The Courtyard Marriott on February 7 and featured catering by On The Border Mexican Grill and Cantina, which will open soon in Miami Lakes.

Sponsorship and vendor applications are available at www.chanelpradaevents.com or by calling the event coordinator, Chanel Prada, at 786-499-9247.
